CONTRACT APPROVAL NO. 2
Contract No. SP-1917

It has been decided to replace the Sait 20V035 battery which is presently used in all FOG articles with the Sonotone MA-5 battery.

In view of the above, you are authorized to procure and furnish to [] twenty-one (21) Sonotone MA-5 batteries. It is understood that the battery is estimated to cost \$800 or a total of \$16,800.

Upon execution of Contract No. SP-1917 [] will confirm procurement of these batteries and this contract approval by issuance of a Production List.
